

Dear AHF-NJ Member:

It is time to renew your membership. We have a great year ahead!

AHF-NJ membership runs January through December. Take advantage of the membership fee structure for 2024 with the intention of encouraging more managerial and supervisory staff participation at each institution. Allied membership is \$175

Please visit <https://ahfnj.org/> to renew your membership or use the attached invoice that you can submit for payment through your organization.

By submitting your application early, you can take advantage of reduced membership fees and you won't miss out on our great first quarter events. I encourage you to share this email with your fellow colleagues. AHF-NJ membership becomes stronger and more valuable as both membership and participation increases. I would love to hear from you about what kind of events benefit you most. Please let me know what would make participation in events easier or more worthwhile. My email is debra.ryan@atlantichalth.org

Being an **active member** of a great food service organization benefits you and your operation. I have found it to be rewarding personally and professionally. I hope you join us for another year. Here's to another successful year!

Rebecca Herman
AHF-NJ President
